

ST. SIMONS
CJ1004

With slender unadorned arms, tall candles and long teardrop crystal pendants, St. Simons chandeliers bring a light feminine touch to the spaces they illuminate. Like a prima ballerina, St. Simons appears delicate, but has impeccable poise and remarkable presence. It is easy to imagine a member of the St. Simons line of chandeliers adding a romantic note to a contemporary living room or contributing to a gracious welcome in the foyer of a classical home.
